Turner Auctions + Appraisals is Proud to Present & DAUGHTERS: Next Generation Auctions

**Launching June 24, the Premiere Auction Features Fashion, Jewelry & Accessories from the
World's Top Luxury Brands, Female Artworks & More**

SOUTH SAN FRANCISCO, CA, June 9, 2023 - With more than 30 years of experience in the auction industry as a personal property appraiser and auctioneer, Stephen Turner of Turner Auctions + Appraisals is sharing his industry expertise and ushering in the next generation of auction specialists by presenting & DAUGHTERS Auctions – founded by daughters Cassandra Turner and Elysia Turner-Lechelt, along with Jason Krell. With that in mind, Turner Auctions + Appraisals is very pleased to host & DAUGHTERS' premiere auction, MOVERS & SHAKERS, on Saturday, June 24, featuring over 90 lots of luxury fashion, jewelry, and accessories; rare feminist books; and works by female artists.

"Like many fathers, I hoped that my daughters would take an interest in my business," explained Stephen Turner. "To see them embrace the auction industry, while putting a unique spin on it, makes me extremely proud." For nearly two years he has been mentoring Team & DAUGHTERS and sharing his decades of knowledge, so they are well-positioned to curate and host auctions with their own unique approach and style.

Located in Canada and Europe, & DAUGHTERS is embracing the romance of the auction world, while harnessing the power of technology and social media to create a business that knows no boundaries and attracts a new demographic of buyer and seller. "We believe the auction industry is filled with opportunity – not only to find and present beautiful property, but also to grow the business in a way that highlights under-represented artists," explains Cassandra Turner. "Women artists, for example, currently account for less than 4% of total art sold at auction, and one of our goals for & DAUGHTERS is to showcase the talented emerging female artists who deserve recognition by the auction industry."

& DAUGHTERS' first auction, titled MOVERS & SHAKERS, will be held under the hosting umbrella of Turner Auctions + Appraisals, and will feature over 90 lots. The sale features contemporary fashion, jewelry and accessories from designers including Chanel, Gucci, Van Cleef & Arpels, Hermès, and more, in addition to rare feminist books and works by female artists.

& DAUGHTERS begins its online auction, hosted by Turner Auctions + Appraisals, on June 24, 2023, at 10:30 am PDT; sale items are available for preview, registration, and bidding now. The online auction will be featured live on multiple platforms: LiveAuctioneers, Invaluable, Bidsquare, the Sale Room, Lot-tissimo, and Turner Auctions + Appraisals' free mobile app, which can be downloaded from the App Store or Google Apps ("Turner Auctions"). All are easily accessed through 'Upcoming Auctions' at the company's website: <https://www.turnerauctionsonline.com/upcoming-auctions>.
