

Turner Auctions + Appraisals presents online auctions in diverse categories of personal property. Among them are Fine Arts, Decorative Arts, Toys, Asian Arts, Jewelry, Militaria, Ethnic Arts and others. We offer a range of auction and appraisal services for buyers, sellers and collectors. While the company's online buyers, collectors and consignors are not limited by geography, our activities for appraisals generally serve those in California and the San Francisco Bay Area.

Online auctions are held several times a month through LiveAuctioneers or Invaluable. The company welcomes appraisals and consignments, which are handled on a regular basis at the client's request.
